

Biennial Index

Spring 1984 – Autumn 1985

By George M. Jenks

This index covers numbers 150, 151, 152, and 153 of *Railroad History*, Spring 1984 through Autumn 1985. The previous biennial index, covering numbers 146 through 149 (Spring 1982 through Autumn 1983), appeared in *Railroad History* 150, Spring 1984.

Every article is listed under the name of the author, the title, and usually one or more subject headings. Locomotive rosters are listed under that heading and also under the name of the railroad with the subheading *Locomotives*. Book reviews are listed only by title under that heading. Book titles are italicized. The number of the issue is in boldface type, and the inclusive page numbers follow.
